BEATEN BY HIPPIES

BELGIAN STONER ROCK · DESERT ROCK · PSYCHEDELIC GROOVE

OFFICIAL EPK | beatenbyhippies.com/

ABOUT THE BAND

Beaten By Hippies are a Belgian four-piece blending stoner rock, desert rock, desert blues and psychedelic groove. Fuzzed-up guitar riffs and a driving rhythm section shape a loose, energetic sound built for the stage. After their self-titled debut in 2019, the band released Sidetracked in El Paso in 2025 - a further step into their desert-rock and groove-driven sound.
